

# DISABILITY INCLUSION:

## Recognizing and Implementing a Request for Reasonable Accommodations

Bite-Sized Learning for Employers

### GETTING TO THE CORE...

What has been your experience working through an accommodation request?

Roleplay with a co-worker: One co-worker asks for a reasonable accommodation for a disability of their choice.

Work together through each step of the interactive process.

### Recognizing a request and implementing the interactive process

Identify a Request

Collect the Information

Research the Options

Find the Right Accommodation

Provide the Accommodation and Follow Up
