Celebrate with us!

This important day was established nationally in 1964 to raise awareness for individuals who are blind or visually impaired. By joining us, you can help spread the word about the importance of white canes and how they can help those with visual impairments navigate the world safely. Together, we can make a difference and help ensure that everyone has access to the resources they need to live their best lives.

Do you want to volunteer? Contact Christian Wernau at cwernau@zumbroed.org to see how you can help!
