Live CareerForce Workshops!

Attend Live Online Workshops, Explore Careers, & attend Virtual Career Fairs for FREE! These online workshops and events are presented through WebEx or Teams. Registration is required. Participants will receive an email prior to the event with a link to join the webinar and instructions.

- **Leveraging AI to Enhance your Job Search:** [May 4, 1:00 – 2:30 PM](#) Unlock the power of AI to sharpen your job search and stand out in a competitive market. In this interactive 1.5-hour online workshop, job seekers will learn practical, easy-to-apply strategies for using today's most effective AI tools to target resumes to specific job postings, identify and close skill gaps, craft compelling cover letters, and prepare confidently for interviews.
- **Creative Job Search: Tools of the Job Hunting Trade:** [May 5, 10:00 – 11:00 AM](#) Is your resume getting you interviews? Are you targeting your resume to the job posting before you click submit? If not, this session will help you to understand why targeting your resume is so important and how to do it. We will discuss formatting, Applicant Tracking Software, accomplishment statements, and touch on cover letters too.
- **Interview Skills Workshop – Online:** [May 6, 1:00 – 2:30 PM](#) Through this workshop, we will help you approach your next interview with increased confidence, learn how to answer challenging interview questions, gain frameworks to structure your thoughts and answers to common questions, and develop tools and techniques to both prepare for and follow-up after the interview.
